# With your help, we'll be ready for anything

We're all looking forward to getting out and enjoying a bit of sun and our gorgeous sea, beaches and coastlines. From our lifeguards to our volunteer crew, we want everyone to have a wonderful, and safe, 2022.

2021 was one of our busiest summers. That means more people on our beaches and in the sea than ever. And 2022 looks like it's going to be another big one. So we need to be ready to save every one.

You can help. From beautifully branded clothes to beach games to an RNLI branded Yellow Welly Planter, there are so many ways to show your support for the RNLI. **Everything you buy, whether it's a gift or a treat for yourself, makes a difference.** It all goes into helping us be ready to save lives in 2022.

We hope you find something you love here.

Thank you so much for your support. **Together, we'll be ready to save every one.**

**Will Chant**  
Volunteer crew member,  
St Davids Lifeboat Station
